

MCFB FOUNDATION SCHOLARSHIP RECIPIENTS ANNOUNCED

John Hoffman was a long-time member of the Northeastern Illinois Twin Cylinder Club (NEITCC) and served on its board of directors.

He was an integral member of the Club, a 41-year employee of Alliance Contractors, Inc., a tractor restoration expert, and a member of the agricultural community.

NEITCC previously decided that a scholarship benefiting someone from the next generation of farmers or tradesmen was a fitting tribute to a man who volunteered constantly and was always willing and able to help. It would be John's hope that a scholarship in his memory would go to someone with the same love of farming and/or the trades that he had.

Mason Nicolai of Woodstock is this year's recipient of the \$1,500 scholarship that is administered through the McHenry County Farm Bureau Foundation. He plans to attend Lake Land College where he will enroll in the John Deere Tech program. Mason is the son of Jason and Amanda Nicolai.

Teresa Merlo of Harvard was also awarded a thousand-dollar scholarship from our foundation. She will be attending the University of Illinois where she will further her studies in Agriculture Education. Teresa is the daughter of Jamie and Sarah Merlo.
