

Dear Educators,

You may register with Lindenwood for graduate credit any time during the term. To avoid delays with grades and transcripts, we encourage you to apply to Lindenwood one month before the term ends. See our [Frequently Asked Questions](#) and [Academic Terms](#) to better understand our timelines

To earn graduate credit, follow the instructions below:

- Complete the Lindenwood [workshop registration](#) form by paying \$80 per credit hour with a credit card. *Make sure to select the correct academic term/course title/district/organization.* Fill out the workshop registration form each time you pursue one or more professional development courses. Allow up to two weeks to process registrations.
- Once the registration is processed, you can check your grade status, unofficial transcript, or billing statement by accessing the *Student Portal* at [My Lindenwood](#). For Lindenwood student login credentials, please call IT (636)- 255-5100 or email [IT Helpdesk](#) with your full name and initials as per our records. **Note:** *If grading or registration is a work in progress, courses and grades will not show on the unofficial transcript.*
- **Grades are posted approximately two weeks after the term ends.** We encourage you to check the unofficial transcript prior to ordering an official transcript.
- An official transcript may be ordered online through [Parchment](#). Official transcripts are sent directly to a district, employer, or student and bear the university seal.
- **Graduate credits are nonrefundable.** Participants are strongly encouraged to verify with their school districts to determine if this graduate credit is applicable. These may be applied, in most cases, to satisfy CEUs or professional development requirements (plus hours) for salary advancement or licensure renewal. It is up to individual school districts and state certification renewal requirements as to whether they will approve these graduate credits.
