FALL 2019

Classroom activities, lesson plans, and resources to engage and help your students appreciate agriculture in their communities and the important role it plays in their lives.

PUMPKINS! PUMPKINS! PUMPKINS!

Learn about the various kinds, history, life cycle, how they get into Thanksgiving pie! AND try a tasty treat we will make together!
For 1st grade students, call or email to reserve your presentation.

AG EXPO 2020 is coming!

Coming April 7, 8, 9 2020

Visit www.mchenrycfb.org under Teachers Tab or call the office at 815-338-1520 to learn details and reserve your spot. Third and fourth grade.

Mark your Calendars! SAI 2020

Summer Ag Institute for teachers. June 17, 18, 19 and 22, 23, 24.

Our air conditioned motor coach will visit farms and ag related sites. Staff specialists will provide in class activities set to Common Core and Next Gen standards. Lunches are provided!

Course fee of \$150 is required for all participants (PDCHs included in fee). Three hours of graduate credit through University of St Francis is available for an extra fee.

Call or e-mail us today to register before the class fills up.
