

THERE'S A

PIG

IN MY

CLASSROOM

A VIRTUAL FIELD TRIP
THAT INCLUDES
EVERYTHING
BUT THE OINK

TAKE PART IN A VIRTUAL VISIT TO A PIG FARM TO LEARN ALL ASPECTS OF THE PORK INDUSTRY

FREE participation. Lesson plans, worksheets and standards sent to class.

Hosted by the Indiana State Fairgrounds & Event Center and sponsored by the LEAP Foundation, **There's a Pig in My Classroom** is a virtual program designed to teach students where and how pork gets to their plate. Students will learn about how pigs are raised on the farm, production terminology, and purchasing pork in the grocery store. **We have the ability to accommodate your classes no matter if you are meeting in person, virtually or a hybrid.**

PLEASE NOTE: This is the same virtual experience that was offered in October, 2021.

Program Layout

Introductory Lesson Plans:

A Look into the Pork Industry

- Introduce terminology, breeds, nutrition, and production stages
- 50-90 minutes of lesson plans to be completed prior to virtual experience
- Classroom teacher delivered
- Utilized to eliminate defining vocabulary and key concepts during virtual experience
- Entice participants to be more engaged in virtual experience

Virtual Fieldtrip:

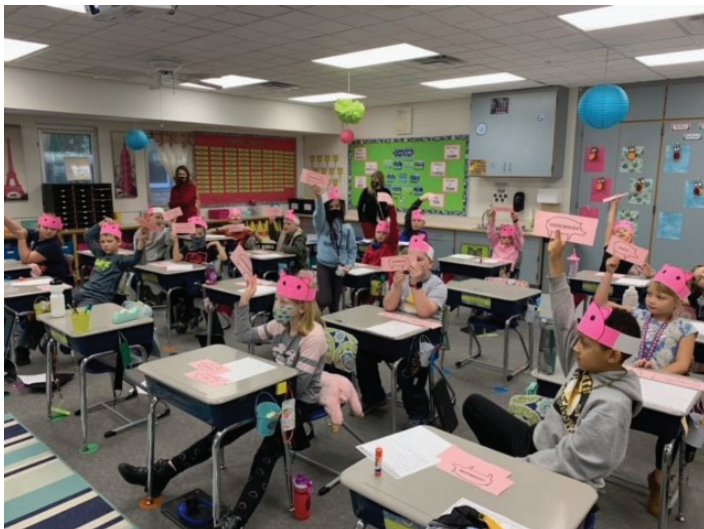

Fair Oaks Pig Adventure Experience

- 45-minute virtual experience
- Go live into a pig farm to experience the pork industry
- Indiana State Fairgrounds staff will moderate the virtual fieldtrip to the Fair Oaks Pig Adventure from the Glass Barn at the Indiana State Fairgrounds & Event Center.
- Highly interactive and engaging

Follow-up Lesson Plans:

Pigs, Pork, and Puzzles

- Fun follow-up activities on pigs, careers, and recipes, as well as a grocery store scavenger hunt
- 50-90 minutes of lesson plans to be completed after participating in virtual experience
- Classroom teacher delivered
- Utilized to reinforce an understanding of vocabulary and key concepts

Introductory lesson plans like "Fact or Hogwash" provide a fun way for students to learn terminology and other information prior to the virtual fieldtrip.

Classes will connect virtually with the Indiana State Fairgrounds and the Pig Adventure at Fair Oaks for an interactive adventure through the stages of pork production.

What you get

All lesson plans, worksheets and standards materials sent prior to the scheduled virtual fieldtrip

What you need
